We had another busy election year and 2022 promises to be even busier! This webinar will act as a type of “cracker barrel” and review procedures, questions and problems we have found election officials may need clarification on or just need a refresher before next year. So bring your questions and WEC will have the answers for you! Webinar materials will be posted Tuesday afternoon.

The webcast will be posted by the Thursday following the session on the WEC website for election officials to review at their convenience and will include indexing by-topic: <http://elections.wi.gov/clerks/education-training/webinars>. The training counts toward training hours whether you participate in the live webinar or review the recording at a later date.

**Live Webinar Requirements**

You must be able to view videos on your computer, using a media application such as Windows Media Player. You will be connected to audio using your computer’s speakers. If you are unable to access the audio over your computer speakers, you may select “Use Telephone” after joining the webinar. Using the telephone for audio is a toll charge. If you have questions about the technical aspects of the webinar, please contact the Elections Help Desk at [elections@wi.gov](mailto:elections@wi.gov) or (608) 261-2028.

The webinar has a maximum of 500 participants. In response to input from clerks, phones will be muted to reduce ambient noise. Questions may be typed in and will be answered by WEC staff for the benefit of the participants as time allows. A list of Frequently Asked Questions (FAQs) generated from the webinar will be posted after the webcast.

We look forward to you joining us for the webinar on Wednesday. If you have any questions, please contact [allison.coakley@wi.gov](mailto:allison.coakley@wi.gov) or (608) 261-2033. Thank you.
